1 CHOOSE A CHEESE SAUCE

#The Basic

Basic cheddar jack with a pinch of secret spices, because basic can be extra too.

The Buffalo

Tangy buffalo meets cheddar. Creamy, dreamy perfection.

The Hellapeño

Our honey-jalapeño special is a little sweet, a little spicy, and hella irresistible.

The Pesto

Our green sauce mixes basil and olive oil with cheese. Yes, this counts as a veggie.

The Goddess

Melted jack cheese with chopped garlic for the goddess in all of us.

The Vegan

For when cheese don't please. This cheesy not-cheese sauce is way too good.
