

About The Diner Vancouver

Our restaurant is unique *and* important. We truly are serving more than just a meal. We are on a mission to create a sense of community through food and proudly serve a classic diner menu with a healthy, local twist. The Diner encourages intergenerational social interaction by welcoming a diverse crowd of people – business professionals, families, individuals and older adults alike. The Diner supports the mission of Meals on Wheels People by providing financial accessibility to restaurant dining for adults ages 60 and older through a pay-as-you-can program.

We provide our staff a living wage, excellent benefits and consistent schedules to provide stability and sense of community. We do not accept tips, but gladly accept your donations which help provide nutritious meals to older adults in the community.

With your help, we are changing lives,
one meal at a time
