

TRAVERSE CITY WHISKEY CO. THE OUTPOST

Distilled in the heart of Traverse City, our whiskey is the culmination of an heirloom recipe, passion and hard work. We're as serious about making whiskey as we are having fun.

The Outpost is our home away from home, built not only to share our spirits, but also a little bit of Northern Michigan adventure.

Follow our story @TCWhiskey and TCWhiskey.com.

SPIRITS

XXX STRAIGHT BOURBON 86 PROOF / 43% ALC

Our flagship product is the XXX (which is what crates of whiskey were marked with during prohibition to conceal their identity. Originally referred to being distilled three times) straight bourbon. Straight bourbon means it has been aged a minimum of 2 years. It is a blend of different ages and lots of barrels to provide a great tasting whiskey at an affordable price. **TASTING NOTES:** Rich caramel and vanilla overtones with warm oak, lightly creamy mouthfeel. Sweet, with hints of baking spices and fruit. **200 ML \$12.99 / 750 ML \$33.99**

AMERICAN CHERRY EDITION 70 PROOF / 35% ALC

Our cherry whiskey uses the same bourbon as our XXX and is blended the same way. We add a local cherry concentrate as well as whole tart cherries to every batch to provide a hint of cherry. To be a bourbon, a whiskey cannot contain any flavor or coloring additives, therefore, this product is considered a cherry whiskey and is not technically a bourbon. **TASTING NOTES:** "Whiskey with hint of cherry and not the other way around!" A blend of sweet bourbon with fresh tart Michigan cherries. Not overly sweet as the bourbon's natural vanilla tones blend with a refreshing cherry flavor and aroma. **200 ML \$10.99 / 750 ML \$31.99**

NORTH COAST RYE WHISKEY 90 PROOF / 45% ALC

Ours Straight Rye Whiskey is a blend of half 95% rye (5% malted barley) and half 100% rye barrels. **TASTING NOTES:** Bright peppery and spicy tones backed by soft vanilla bean. Hints of dill, pink peppercorns, and mint. **200 ML \$14.99 / 750 ML \$39.99**

PORT FINISHED BOURBON 86 PROOF / 43% ALC

The Port Finish Bourbon starts with the same mash bill bourbon. We harvest it from its first-use charred American oak barrel and age it a second time ("finish it") in used Port wine barrels. Port is a sweet fortified red wine from Portugal which is barreled in toasted french oak which is known for creating more smooth delicate flavors in wine compared to american oak. **TASTING NOTES:** Deep and complex flavor. Bold vanilla and caramel from the American oak, soft nutty and shortbread tones from the French oak. Earthy and sweet fruit tones reminiscent of dried figs and mulberries. Like a Fig Newton whiskey. **200 ML \$14.99 / 750 ML \$39.99**

MICHIGAN APPLE WHISKEY 80 PROOF / 40% ALC

Similar to the cherry, we add to our standard mash bill straight bourbon and a concentrate made from local Spy, Ida Red and Fuji apples. **TASTING NOTES:** Crisp green apple flavor with caramel and oak undertones. Tastes like a Michigan Autumn. **750 ML \$31.99**

BARREL PROOF BOURBON 115-120 PROOF / UP TO THE ANGLES

Carefully selected premium barrels of our Port finished whiskey are used in this product and left at whatever proof the whiskey is when it is harvested. **TASTING NOTES:** This top-shelf fusion of wine and whiskey drinks like a fine brandy or fruit spirit. Silky mouthfeel with the flavors of tart grapes and late season apples, over robust burnt caramel and oakiness. Hints of apple blossom and almond. Smells like vanilla and Michigan orchards. **750 ML \$79.99**

BARREL PROOF RYE UP TO THE ANGLES

Just like bourbon, rye has to be barreled at or under 125 proof. Our Barrel Proof Rye is left at whatever proof the whiskey is when it is harvested. **TASTING NOTES:** Trades in some of the spiciness for rich oak flavor. Effervescent aroma of baking spices. Notes of allspice, black peppercorns, and sage. **750 ML \$84.99**

BARREL PROOF PORT UP TO THE ANGLES

Carefully selected premium barrels of our Port finished whiskey are used in this product and left at whatever proof the whiskey is when it is harvested. **TASTING NOTES:** This top-shelf fusion of wine and whiskey drinks like a fine brandy or fruit spirit. Silky mouthfeel with the flavors of tart grapes and late season apples, over robust burnt caramel and oakiness. Hints of apple blossom and almond. Smells like vanilla and Michigan orchards. **750 ML \$94.99**

VERSE GIN 47.5% ALC

Our gin is made with a base of local Michigan fresh-cut cedar wood, cherry bark, cherry pits, lavender, and juniper sourced from Michigan, all steeped directly in our still during distillation. It is flavored with a secret blend of vapor infused botanicals that give it a spicy and unique flavor. The tawny color comes from barrel aging it for 3 weeks in our used bourbon barrels. **TASTING NOTES:** This is a highly unique gin flavor that is light on that "pine needle" quality. Spicy and peppery with a robust backing of oak, cedar, and cherrywood. Lightly sweet and citrusy on the finish. Heavy notes of cinnamon and lavender.

200 ML \$24.99
