Mestizo

est. 2019

Mestizo means a person of mixed race in Latin American. To us, Mestizo is the combination of people who are passionate about cooking, serving, making drinks, and love what they do! Our ultimate goal is to create the spot for our neighborhood to relax and enjoy their time with us and also create jobs for the community! At Mestizo we integrate our concept with quality, locally-sourced ingredients, sustainable seafood, and many vegan options all inspired by the flavors and spices of Latin American cuisine. OUR RESTAURANT IS GLUTEN AND SOY FREE. Lastly, we offer a variety of beer, wine, and sophisticated cocktails—especially classics with the inspiration of agave and other Latin American spirits. We use in-house freshly made syrups and juices to perfect our drinks and serve them to you. Thank you for choosing us to be part of your night and we can't wait to see you again.
