TO EVERY PERSON ON THE FRONT LINES:  
**THANK YOU**

AARP Illinois is grateful for the helpers, frontline workers and caregivers doing vital work to keep Chicago functioning so the rest of us can stay safely at home.

We are all in this together, and on behalf of our 1.7 million members in Illinois, AARP is providing information and resources to help older people and those caring for them protect themselves from the virus and prevent them from spreading it to others.
