RE: Notice ID: 3472099
CASE NAME: St. Sabina Academy
REPORT DATE: 01/04/2021

Dear MICHAEL PFLEGER:

You were previously notified that the Department of Children & Family Services ("DCFS") was investigating a report of suspected child abuse or neglect in fulfillment of its duties under the Abused & Neglected Child Reporting Act, 325 ILCS 5/1 et seq.

After a thorough evaluation, DCFS has determined the report to be "unfounded." This means that no credible evidence of child abuse or neglect was found during this investigation and that your name will not be listed as a perpetrator of child abuse or neglect on the State Central Register. This does not necessarily mean that an incident did not occur. An incident may have occurred but the evidence did not rise to the level required to indicate for abuse or neglect as dictated by state law and DCFS Administrative Rule.

DCFS will maintain a copy of this investigative report for a minimum of 5 years following the date of final finding in accordance with the provisions of the Abused and Neglected Child Reporting Act. The State Central Register is confidential under state law and not available to the general public.

If you believe that an intentional false report was made to DCFS, you have the right to request that DCFS maintain the report as an intentional false report. Your request to have the report maintained as an intentional false report must be in writing and must be postmarked within 10 days of the date of this letter. Your request must be sent to the State Central Register, 406 East Monroe Street, Station 30, Springfield, Illinois 62701-1498.
