Drive 1 Notes: Overall rough drive for Teddy from a decision making standpoint in the pass game. The missed PSL read ended up in a completion and third down conversion however we can't let it slide in the pre-season because it always shows up with a big mistake in season against the 1's.

Teddy Bridgewater	2	1	Run	Good extension, need more on the boot fake			+		+
Teddy Bridgewater	2	2	Run	Again good extension but we need more effort on the boot fake			+		-
Teddy Bridgewater	2	3	Run	Same as above, great extension, need more effort on the fake			+		-
Teddy Bridgewater	2	4	Pass	Great read and great ball on the Deep Over Deep In concept	+	+	+		
Teddy Bridgewater	2	5	Run	Slightly better on fake still not good enough long term			+		+
Teddy Bridgewater	2	6	Pass	Great read on stick arrow concept	+	+	+		
Teddy Bridgewater	2	7	Pass	Love the read and love the aggressiveness with the throw!	+	+	+		

Drive 2 Notes: Almost the exact opposite on Drive number 2. Made the correct decision every time he dropped back, ended in an easy touchdown.
