Drew Lock	1	8	Pass	Good decision, good feet, good ball, need Jeudy flatter on that route	+	+	+		
Drive 1 Notes: Overall really great drive by Drew Lock. Super impressed with his attention to detail in the run game. Shows great ball extension and sells boot really well. Need to improve fakes when he is dropping straight back instead of carrying out a boot fake. Normal situation drive would have ended in points with a field goal.									
Drew Lock	2	1	Pass	Great fake, great job being aggressive and driving the country route	+	+	+		+
Drive 2 Notes: Obviously a great drive and a really good shot play look. Drew does a great job with his fake and taking the alert post. Great ball, great drive ending with a touchdown.

Drew Lock	3	10	Run	Good job with ball extension, bad drop back fake			+		-
Drew Lock	3	11	Pass	Great job with his extension on the run action, great decision to get to the over, great ball	+	+	+		+
Drive 3 Notes: Really really solid drive. Another round of great fakes in the run game especially with the boot fakes. Need a better ball on the go route to Jeudy and the sail route to KJ. Great way to finish with another touchdown.
