

Statement from DuPont de Nemours regarding PFAS:

*In 2019, DuPont de Nemours was established as a new multi-industrial specialty products company. DuPont de Nemours has never produced or sold PFOA, PFOS or firefighting foam. The company has established a set of [commitments](#) to take responsible action related to PFAS, and also supports sensible, science-based regulatory standards on PFAS that will provide clear, uniform guidance for all.*
