

Quarter	Time	Down	Distance	Location	Info on play	Notes
4	1:52	1	10	PHI 25	Jalen Hurts pass complete short left to A.J. Brown for 9 yards (tackle by Rasul Douglas)	Five man rush generates some pressure. Cover one. Hurts selected best option for completion. Disguised blitz/coverage. Rasul Douglas beat on route but kept play in bounds
4	1:26	2	1	PHI 34	Jalen Hurts pass complete short left to Kenneth Gainwell for 4 yards (tackle by Terrel Bernard)	Cover two, mostly traditional nickel look for Bills with CBs manned up and Safeties in zone. Four man rush with not much pressure. Bernard quick enough to limit gain but not keep play in bounds.
4	1:21	1	10	PHI 38	Jalen Hurts pass complete short left to A.J. Brown for 11 yards (tackle by Jordan Poyer)	Cover one look with a second dropping into deep coverage late (disguised cover 2-ish). Four man rush and playing to prevent the big gain, work the clock. Looks like a lot of zone. Douglas beat on route cutting inside by Brown. Also caught Poyer between responsibilities. Good rep by Eagles, maybe would have liked more obvious help with Brown.
4	1:02	1	10	PHI 49	Jalen Hurts pass complete short left to Kenneth Gainwell for 6 yards (tackle by Cameron Lewis)	Cover 2. Show five man rush with Poyer blitzing. Poyer does rush, with Von Miller drops back and covers short zone on right side (defensive left). Overall Buffalo defending deep pass and allow quick pass to Gainwell with enough room to hit sideline.
4	0:58	2	4	BUF 45	Jalen Hurts pass complete short left to DeVonta Smith for 11 yards (tackle by A.J. Epenesa)	Cover 1. Five man rush, again disguising who is actually coming. A lot of mixed looks using Poyer. Douglas playing off on edge, allows easy chunk yards. Epenesa in coverage with Bernard and T. Johnson in coverage.
4	0:38	1	10	BUF 34	Penalty on Jason Kelce: False Start, 5 yards (accepted) (no play)	Awesome
4	0:38				Timeout #2 by Philadelphia Eagles	Fine
4	0:38	1	15	BUF 39	Jalen Hurts pass incomplete short middle intended for Julio Jones (defended by A.J. Epenesa)	Cover 2 with four man rush. Looks to be defending shorter throws more than other plays. Epenesa nearly hits home and forces bad throw/incomplete.
4	0:35	2	15	BUF 39	Jalen Hurts up the middle for 3 yards (tackle by Ed Oliver)	Show possible fifth rusher on cover 2. Only rush four. Were playing off a bit but Hurts runs it and Oliver responds quickly. This play is a victory for Buffalo.
4	0:30				Timeout #3 by Philadelphia Eagles	Makes sense
4	0:30	3	12	BUF 36	Penalty on Jason Kelce: False Start, 5 yards (accepted) (no play)	Also awesome
4	0:30				Timeout #1 by Buffalo Bills	This is fine I guess. Give a breather. Reset. Still have two.
4	0:30	3	17	BUF 41	Jalen Hurts pass incomplete short left intended for A.J. Brown (defended by Jordan Poyer)	Cover 2 with four man rush. Looking to defend deep and intermediate part of field. Poyer times up break well. Likely would have allowed some yards but in field of play, needing to rush to field for FG.
4	0:25				Timeout #2 by Buffalo Bills	Dumb. Hate this.
4	0:25	4	17	BUF 41	Jake Elliott 59 yard field goal good	Gotta admit this was a great kick.
OT	5:52	1	10	PHI 25	Jalen Hurts right guard for 8 yards (tackle by Terrel Bernard)	Starts with Cover 1 with Poyer deep, shifts to Hyde deep with Poyer edging closer just prior to snap. A little tighter coverage overall than drive above. Hurts takes off and excellent blocking by Eagles. Not selling out to stop run, but also not surprised by it. More execution by Eagles than anything else.
OT	5:19	2	2	PHI 33	Jalen Hurts pass complete short left to D'Andre Swift for 4 yards (tackle by Taron Johnson)	Cover 2 look shifts to 1 with Poyer creeping up. Four man rush generates pressure on right tackle. No one covering RB and shocking he only got four. Great closing speed by Johnson.
OT	4:32	1	10	PHI 37	Jalen Hurts pass incomplete short left intended for A.J. Brown	Cover 2, six man rush. Taron Johnson free rusher forces terrible throw and incomplete. Brown had beat Douglas on route and would have gained a decent chunk. Wide open option to right would have likely been easy completion for similar chunk. Gambling and won on this play call.
OT	4:27	2	10	PHI 37	Jalen Hurts pass complete deep left to DeVonta Smith for 17 yards (tackle by Micah Hyde)	Cover 2 with Dodson showing blitz. Fakes it at the snap and then drops back. Overall good coverage but Bernard seems a step slow fading back to cover his zone and allows a big gain.
OT	3:43	1	10	BUF 46	Jalen Hurts scrambles right end for 7 yards (tackle by Taron Johnson)	Cover 1, four man rush. Bernard looks around as if he's trying to find/pass a man in zone but is nowhere near covering anyone effectively. Pulls himself away from Hurts who can scramble for seven. Overall excellent coverage but odd no one was watching Hurts at all.
OT	3:33	2	3	BUF 39	Jalen Hurts pass incomplete short right intended for A.J. Brown (defended by Tyrel Dodson)	Looks like Cover 2 but safeties not deep (shallow 2). Great coverage overall. Brown has small window being open which Hurts finds, but Dodson is there to break it up. The "non-fumble" that could have sealed the game if called like it was on SNF.
OT	3:29				Timeout #1 by Buffalo Bills	Take a breather. See if NY will correct the call. This is fine.
OT	3:29	3	3	BUF 39	Jalen Hurts pass complete short right to DeVonta Smith for 11 yards (tackle by Tyrel Dodson)	Cover two, looks like everyone working zone. Four man rush. Dodson seems late recognizing route and Hurts is quicker to find the open man than Dodson was. Chased down for the tackle rather than being near the ball for a possible PD.
OT	2:49	1	10	BUF 28	D'Andre Swift left end for 16 yards (tackle by Christian Benford)	Shallow 2 again, everyone recognizes run immediately. Bills collapse lanes to right side of play (defensive left). Eagles able to hold blocks but not open lanes. Swift cuts to outside. Epenesa able to shed block enough to force outside, but not enough to make tackle (to be fair it was an excellent cut by Swift). Taron Johnson comes screaming in to play but should have settled and waited for Swift. Overpursues and allows Swift to hit edge. Due to original formation, the edge was very dangerous for Buffalo. With good execution, this run goes nowhere. A couple steps off by key players and it's a 16-yard gain.
OT	2:41	1	10	BUF 12	Jalen Hurts left guard for 12 yards, touchdown	Shallow 2, blitz with Dodson, delayed blitz/run lane support from Bernard. Dodson looks like a free rush but an amazing pull block from Kelce negates him entirely. With LBs on blitz, once Hurts is past them it's over. Rolled the dice and lost. Philly hit the exact right spot.
